

2019 Pink Strides for Breast Cancer Event Sponsorship Form

Saturday, October 5 at 9:00 AM
Licking County Health Department
675 Price Rd., Newark

Join us as a sponsor to help the **12th Annual Pink Strides for Breast Cancer** be a successful event and fundraiser. Help offset some of our event expenses while promoting your business and supporting our cause. We aim to raise \$5,000 for the Licking County Health Department's Screening and Survivor Support (SASS) for Breast Cancer program, through sponsors and participant entry fees. By sponsoring this event, you can make a difference in our community. The SASS program educates Licking County residents about the importance of early detection as a key to breast cancer survival and provides residents diagnosed with breast cancer the assistance to maintain and improve their quality of life. SASS also provides free mammograms and further diagnostic screenings, information referrals, and opportunities for social and financial support if a woman is diagnosed with breast cancer in Licking County. We work hard to provide a quality community event and look forward to your support!

Sponsorship Levels:

SASS's "Breast" Friend - \$300

- ✓ Small-size logo on event shirts; recognition on promotional flyers, on related websites and social media, and "swag"/promotional materials at event.

SASS's "Bosom" Buddy - \$150

- ✓ Recognition on promotional flyers, on related websites and social media, and "swag"/promotional materials at event.

Logo – Email Olivia Biggs, obiggs@lickingcohealth.org by **4:00 PM on Tuesday, September 17th.**

Promotional "swag" material – Deliver/mail to the Licking County Health Department by **Tuesday, September 17th.**

Payment – Checks should be made out to "Public Health Partnership" and mailed to
SASS for Breast Cancer
675 Price Rd.
Newark, OH 43055

If you have any questions, please contact Casey Pitcock at (740) 755-4675 or cpitcock@lickingcohealth.org

Thank you for your support!

We hope to see you at the 2019 Pink Strides for Breast Cancer Event!
